

BEREA CRAFT FESTIVAL INFORMATION, JULY 9,10,11, 2010

The Berea Craft Festival has been at the heart of Kentucky art for 29 years! Named as one of the top 200 best shows in America by Sunshine Artist Magazine, the Berea Craft Festival attracts approximately 8,000 people each year.

Dates for this year's event are Friday, Saturday and Sunday, July 9,10, 11. This is a juried show. High quality craftsmanship and design, originality, and professionalism are of utmost importance. All work must be handmade by the applicant. Decorated purchased items, reproductions, items made from kits or commercial patterns are not acceptable.

To be juried, you must submit five images of your work, one of which should be a shot of your booth. You may e mail the five images, mail a disc, or mail photos. Please clearly identify each and indicate if you would like them returned. Images of accepted work may be retained for publicity purposes. Your images should be no larger than 4x6 inches at 300 dpi.

Jurying is done bi-weekly with applications considered in the order received. When a media category is filled, it is then closed. It is possible to be placed on a waiting list for closed categories.

The booth fee is \$225 for a 12x12 space, with \$100 [non refundable] deposit due with the registration form you will receive. The balance can be paid anytime, but must be paid in full before set up.

The Berea Craft Festival is an OUTDOOR show in a wooded area.. You must provide your own tent/shelter and you must be prepared for inclement weather. While electricity MAY be available in some booths, it is beyond our control and we cannot guarantee it.

Because of space constraints, we must strictly limit motor homes and x-large vehicles on the festival grounds. Please come prepared to dolly your work in and out if asked to do so because of vehicle size .Please note that Berea College has banned smoking on festival grounds except in designated areas.

With all that being said, this is a pleasant, fun show! We have good food, good music, and great crowds! We do provide extensive promotion, night security, and get great media coverage!

Hope to see you at the show!!
